| Important Questions | Answers | Why This Matters: |
|---|---|---|
| **What is the overall deductible?** | Plan Provider: $3,000 Individual / $6,000 Family. PAR Provider: $5,000 Individual / $10,000 Family. Non-PAR Provider: $15,000 Individual / $30,000 Family. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. |
| **Are there services covered before you meet your deductible?** | Yes, Preventive care, and services, indicated in the chart starting on page 2. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/. |
| **Are there other deductibles for specific services?** | Yes, $500 per person for PAR Provider: non-preferred and specialty prescription drug expenses. There are no other specific deductibles. | You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services. |
| **What is the out-of-pocket limit for this plan?** | Plan Provider: $5,000 Individual / $10,000 Family. PAR Provider: $8,000 Individual / $16,000 Family. Non-PAR Provider: $24,000 Individual / $48,000 Family | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| **What is not included in the out-of-pocket limit?** | Premiums, balance-billing charges, pre-certification penalties, health care this plan doesn't cover, and services indicated in the chart beginning on page 2. | Even though you pay these expenses, they don't count toward the out–of–pocket limit. |
| **Will you pay less if you use a network provider?** | Yes. See www.kp.org (Plan ProviderTier) https://providerlocator.firsthealth.com/kaiser (Participating Provider Tier) or call 1-800-401-8405 (TTY: 711) for a list of plan network providers. | You pay the least if you use a provider in the Plan Provider Tier. You pay more if you use a provider in the Participating Provider (PAR) Tier. You will pay the most if you use a Non-PAR Provider Tier, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |

| Important Questions | Answers | Why This Matters: |
|---|---|---|
| **Do you need a referral to see a specialist?** | Yes (to be covered at the plan provider level), but you may self-refer to certain specialists. | This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist. |

⚠ All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
