

Welcome to Kaiser Permanente

Get started in 3 easy steps

How your plan works

Your Level Funded EPO Plan

You are enrolled in the Level Funded EPO Plan.

With this plan, you have access to EPO Network Providers, which gives you quality care from Mid-Atlantic Permanente Medical Group, P.C. (Permanente), physicians. They're part of a group of over 1,800 physicians who practice in our state-of-the-art medical centers located in Maryland, Virginia, and Washington, DC.

For more information about your plan, visit levelfunded.kp.org and review your plan documents.

Get seamless care with the help of your digital health record

Securely share your health history and any concerns with your personal doctor.

Your doctor coordinates your care, so you don't have to worry about where to go or who to call next.

Future care teams have a full picture of your health history—without you having to repeat your story.

With your health records in hand, your care team knows your needs in the moment and reminds you to schedule checkups and tests. Plus, you can view your records 24/7.

Greetings

Welcome to Kaiser Permanente!

Let's get started

Making the most of your plan takes only **3 easy steps**. Ready to go?

Step 1

Create your online account on **kp.org**

Step 2

Choose your doctor—and change anytime

Step 3

Get prescriptions

Stay in the know with all things Kaiser Permanente—check out **kp.org/insider** for valuable health insights, facility updates, and member discounts.

Step 1 Create your online account on **kp.org**

Start using our secure website, **kp.org**, to manage your health on your time¹

Visit **kp.org** anytime, from anywhere, to:

- Schedule an appointment to see physicians and providers by video visit.²
- View most lab results.
- Refill most prescriptions.
- Email your doctor's office with nonurgent questions.
- Schedule and cancel routine appointments.
- Print vaccination records for school, sports, and camp.
- Manage a family member's health care.
- Get a personalized cost estimate.
- Use our Chat with KP feature.
- And much more.

Creating an account is easy

Go to **kp.org/newmember** from a computer or mobile device and follow the sign-on instructions. You'll need your medical record number, which you can find on your ID card.

Caregiver access

Caregivers can access certain features of **kp.org** for loved ones who are members of Kaiser Permanente. Nonmembers can be caregivers on **kp.org** as long as they're at least 18 years old and have either:

- Permission from you as the member, or
- Legal rights to make health care decisions on your behalf, or legal rights to access your health care information.

To set up an account, go to **kp.org/register** and follow the prompts for caregiver access.

Download the Kaiser Permanente app

After you've registered at **kp.org**, you can download our app to your smartphone.

1. From your smartphone, go to your preferred app site: App StoreSM (iOS) or Google Play[®] (Android[™]).³
2. Search for the Kaiser Permanente app, then download it to your smartphone.
3. Use your **kp.org** user ID and password to activate the app, and you'll be ready to go.

Digital ID card

Access your information anytime, anywhere, with a digital version of your ID card to:

- Check in for appointments.
- Pick up prescriptions.
- Access your family's membership information.

To use your digital ID card, tap the card icon at the bottom of the Kaiser Permanente app dashboard.

Personalize your **kp.org** experience

Use your ID card and our photo upload feature to add your digital image to **kp.org**.

¹These features are available when you get care at Kaiser Permanente facilities.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state.

Step 2 Choose your doctor—and change anytime

Select from a wide range of great doctors and change anytime, for any reason

To help you find the personal doctor (also called a primary care physician) who's right for you, you can browse our online doctor profiles. There, you'll see information related to their education, credentials, specialties, and interest areas, as well as if they're accepting new patients.

Women should choose an ob-gyn in addition to their primary care physician.

You can choose a personal doctor with any of these specialties:

- Adult medicine/internal medicine
- Family medicine
- Ob-gyn
- Pediatrics/adolescent medicine (for children up to 18)

Each covered family member may choose their own personal doctor. If you do not choose a primary care physician or ob-gyn within the first 30 days of enrollment, one will be assigned to you.

If the doctor you'd like to select isn't accepting new patients, call us at **800-777-7904** (TTY **711**) for assistance.

Go to **kp.org/doctor** to browse our doctor profiles and find a doctor who matches your needs. You can also call **800-777-7904** (TTY **711**), 24 hours a day, 7 days a week.

See specialists, some without a referral

You don't need a referral for the following specialties—just call for an appointment:

- **800-777-7904** (TTY **711**) for ob-gyn and optometry
- **866-530-8778** for behavioral health—initial consultations (except inpatient care) and chemical dependency or addiction medicine

For other types of specialty care, your doctor will refer you.

Step 3 Get prescriptions

We make it easy to get your prescriptions

We have two ways to help you transfer prescriptions to Kaiser Permanente.

- Go to kp.org/newmember and follow the steps to complete the online form.
OR
- Choose a Kaiser Permanente pharmacy at kp.org/facilities and call us.

Remember to contact us before you need a refill, as it can take 3 or more business days to transfer your prescriptions.

Here's what you'll need

To transfer a prescription, please have the following information ready when you call:

- Your Kaiser Permanente medical record number
- The name and telephone number of your current pharmacy
- The name, strength, and directions for use of the prescribed medication
- The prescription number of the prescribed medication

Medication reminder service

Our reminder service—offered via the Kaiser Permanente app¹—can send you alerts about what dose of your medications to take and when, making it easier for you to keep track.

Creating a reminder is easy:

1. In the Kaiser Permanente app, go to the pharmacy section.
2. In the medication list, tap the medication you want to view.
3. Under prescription details, toggle on [Reminders to Take](#).

Get prescription refills by mail

Get medications sent to you in 3 to 5 business days and at no cost with Mail Order Pharmacy.² To start, register at kp.org, download the Kaiser Permanente app,¹ or call **800-733-6345**. Some prescriptions are available for same-day or next-day delivery for a small fee; for eligible prescriptions, select this option at checkout.

Get prescription refills by phone

Call us at **800-700-1479 (TTY 711)**, 24 hours a day, and follow the prompts to check a status or to refill your prescription.

Get prescription refills online

Register at kp.org or the Kaiser Permanente app¹ to request refills for most prescriptions online.

What drugs are covered?

Visit kp.org/formulary for a list of approved drugs.

Picking up your order

You can fill your prescriptions at the pharmacies located in our medical centers. Just visit kp.org/facilities and select the pharmacy where you'd like to pick them up.

Using network pharmacies

You may also have access to participating network pharmacies. You will not be able to use the Kaiser Permanente Mail Order Pharmacy if you fill your prescriptions using network pharmacies. Check your plan document to see if your plan gives you access to network pharmacies.

For a list of Kaiser Permanente pharmacies and phone numbers, see page 7.

¹To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on kp.org.

²Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can mail to addresses in MD, VA, DC, and certain locations outside the service area.

Hospital care

Our premier hospitals

Kaiser Permanente carefully selects premier hospitals¹ to team with us in taking great care of you.

Located throughout Maryland, Virginia, and Washington, DC, these award-winning hospitals work with us to provide your treatment when you need inpatient or outpatient hospital care.

What if you're admitted to a non-premier hospital?

Once your condition has stabilized, we may move you to a premier hospital where Kaiser Permanente physicians are on duty. That way, we can deliver seamless and coordinated care during both your hospitalization and your transition out of the hospital.

Out-of-network hospitals:

- You can receive inpatient hospitalization services from any licensed or accredited hospitals and facilities.
- When you receive services, you may need to pay allowable charges (such as the contracted amount a provider has agreed to accept) to the hospital, doctor, or other providers, as described in your plan document. You may also need to submit a claim for reimbursement.

For locations and other details, visit kp.org/premierhospitals.

¹The premier hospitals are independently owned and operated hospitals, and they contract with Kaiser Foundation Hospitals. The continued availability and/or participation of any facility cannot be guaranteed. Kaiser Permanente reserves the right to relocate, modify, or terminate the location for premier hospitals. For the most up-to-date information, visit kp.org/premierhospitals.

Care options while you're away from home

No matter where life takes you, Kaiser Permanente has you covered. If something unexpected happens while you're away from home, it's easier than ever to get care.

Routine care

Use your **kp.org** account or the Kaiser Permanente app¹:

- Get medical advice from a licensed care professional 24/7
- Access care by phone, video, or e-visit—usually at no cost²
- Email nonurgent questions to your doctor's office

Urgent care³

No matter where you get urgent or emergency care, you can file a claim for reimbursement. And at many locations outside Kaiser Permanente service areas, you'll only pay your copay or coinsurance—no need to file a claim.

- Cigna HealthcareSM PPO Network⁴ providers
- MinuteClinics[®], including pharmacies
- Concentra clinics

Emergency care³

No matter where you are, you can simply go to the nearest emergency room. If it's a Kaiser Permanente location or a Cigna Healthcare PPO provider, you'll only pay your normal copay or coinsurance.

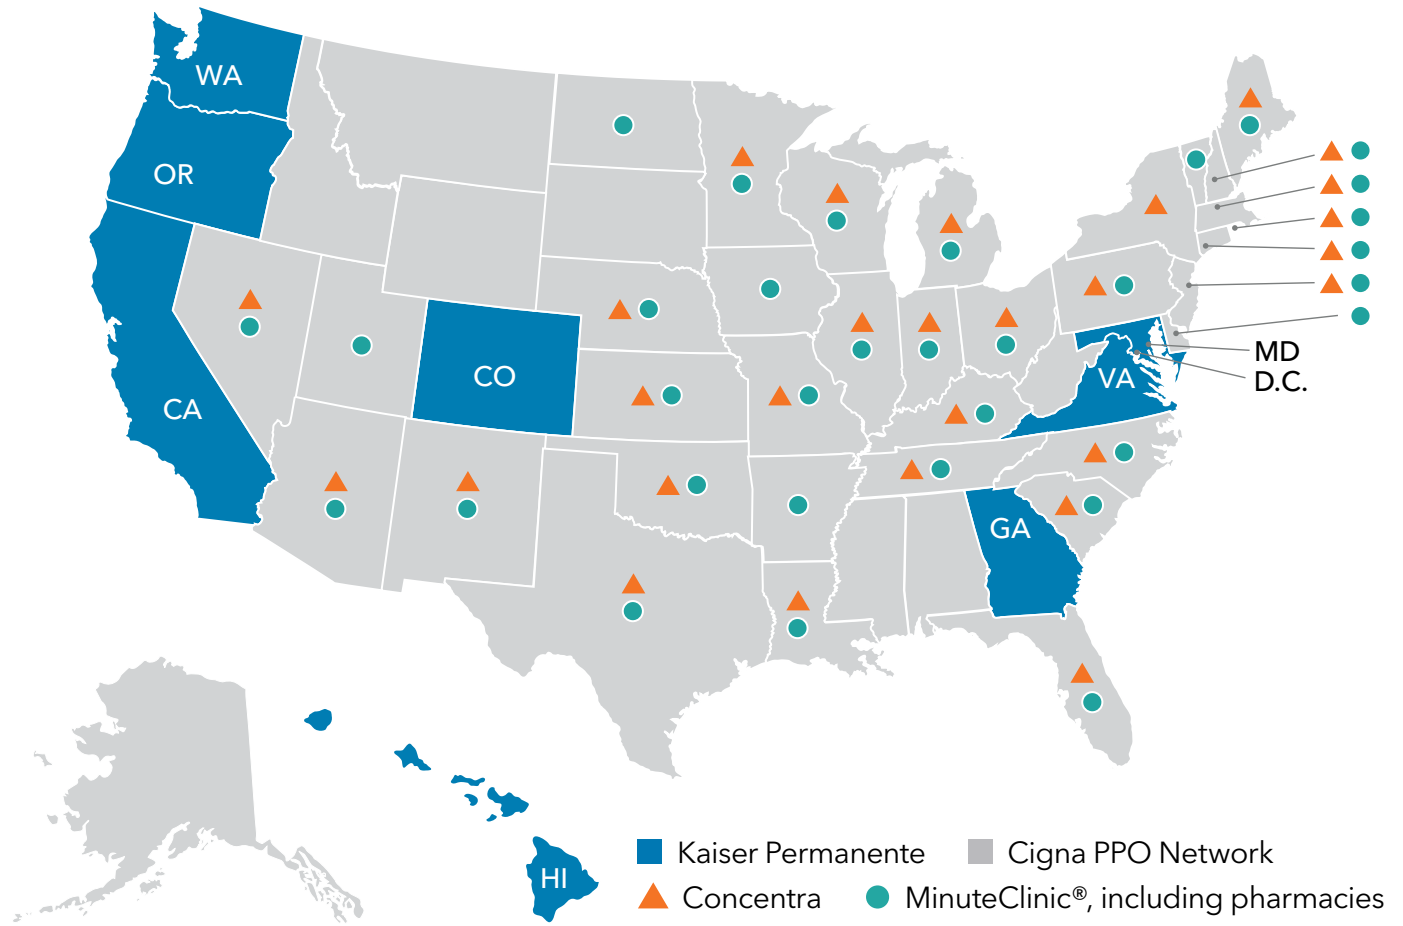

¹To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors from providing care across state lines. Laws differ by state.

³If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your benefits booklet.

⁴The Cigna HealthcareSM PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration. Cigna Healthcare is an independent company and not affiliated with Kaiser Permanente Insurance Company or Kaiser Foundation Health Plan. Access to the Cigna Healthcare PPO Network is available through Cigna Healthcare's contractual relationship with Kaiser Permanente Insurance Company and Kaiser Foundation Health Plan. The Cigna Healthcare PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

Understanding your costs and benefits

You pay \$0 cost share for in-network preventive care

Preventive care includes routine physicals, well-child visits, and certain screenings and tests (such as mammograms), so there's no need to delay making your first appointment with your primary care physician.

If you have symptoms of a condition, your doctor may order a service to help find out what it is or help treat it. Since you've shown symptoms, this service doesn't qualify as preventive. It's actually diagnostic, since it's used to diagnose your condition, and cost sharing may apply.

You may also get services to help treat a condition that's already been diagnosed. Since you're being treated for an existing condition, these services are also non-preventive, and cost sharing may apply.

Tests or services ordered for or during a routine physical or well-child visit may result in cost sharing if those services are related to diagnosing, monitoring, or treating an existing condition.

You may have a copay for most other care, such as appointments with specialists, urgent care, and some tests and services. Please refer to your plan document.

You can estimate the cost of your next visit at kp.org/costestimates. You'll need to be registered on kp.org to use this secure tool.

Your share of costs

“Cost share” refers to what you pay as part of your share for health care costs. Refer to your plan document to learn more about your plan’s specific cost shares.

Type of cost share	What it is	When you pay
Copayment (copay)	The set fee you pay for a covered service (like a non-preventive office visit) every time that service is provided. Copayments vary depending on your plan and do not count toward a deductible. However, they do count toward your annual out-of-pocket maximum for most services.	Nearly all plans have copayments or coinsurance. A copayment or coinsurance may be owed on the day you receive services, for each visit, even if multiple visits occur on the same day.
Coinsurance	The percentage of the cost for a covered service. For example, if your coinsurance is 15% and your allowed office visit cost is \$100, then you pay \$15 and the health plan pays \$85. Coinsurance varies according to your plan and does not apply toward the deductible. However, it counts toward your annual out-of-pocket maximum for most services.	There is no copay or coinsurance for preventive care for non-grandfathered plans. What you owe depends on your Plan’s benefits and the services you receive.
Out-of-pocket maximum	The maximum amount you pay out of pocket each contract year for most covered services. Once the amounts you have paid equal the out-of-pocket maximum, you pay nothing for those covered services for the remainder of the contract year.	Depending on your plan, the copayments, coinsurance, and deductibles you pay for most services will count toward the out-of-pocket maximum.
Deductible (Visit kp.org/deductibleplans to learn more about deductible plans and to find helpful cost tools.)	The set amount you must pay each contract year for covered medical services before the health plan begins to pay its share. Not all services may be applied to the deductible. Deductibles vary depending on the plan you have. Once you have met your deductible, you’ll be required to pay only the applicable copayment or coinsurance for most covered services for the remainder of your Plan’s contract year. Certain conditions may apply.	If you have a deductible, you’ll be billed for the full allowed amount for each service that is subject to the deductible during check-in or after the service via mailed bill. You may also receive an estimate of your charges before your office visit for certain services, and you may choose to make a deposit payment based on that estimate.

Claims

You will not file claims for services if:

- You get medical care and services from network providers.
- You get an authorized referral from your network provider to see an out-of-network provider.
- Your amount paid was for a copayment, deductible, and/or coinsurance.

If you file a claim:

- You have up to 180 days from the date you received care to submit your claim.
- We'll review the claim and decide what payment or reimbursement you may be owed.
- Care must be medically necessary. Please refer to your plan document.

How to file the claim

To request payment or reimbursement, go to levelfunded.kp.org and download a claim form.

Along with your member reimbursement form, the following information is required for all claims:

- Itemized bills (should include date of service, services received, and cost of each item)
- Medical records (copies of original medical reports, admission notes, emergency room records, and/or consultation reports)
- Proof of payment (receipts or bank or credit card statements)

What you'll receive from us

An Explanation of Benefits that will detail what you need to pay and what the health plan will pay.

Filing an appeal

It is your right to file an appeal if you disagree with a decision not to pay for a claim. Read your plan document for more information.
